**Community Foundation Programme**

Community Foundation is the Sport Leadership and Workforce Development programme at Queen Mary University of London. This programme allows us to develop a workforce of student leaders with training, CPD and funded qualifications in return for the sport and physical activity that they facilitate in the local community.

**Social Cohesion Sport Programme**

The Social Cohesion Sport Programme provides student groups with a platform to plan and deliver their own community projects with a focus on prominent issues in the local community. Based on research conducted in the community, we have identified 4 themes that we believe our student groups can raise awareness of by using sport as a vehicle to interact with a variety of target groups.

Student groups will be supported to design sustainable projects with the aim to continue annually with less reliance on financial support from the Community Foundation programme. Group will be required to contribute to the operational costs of their project by organising fundraising events/activities. We will encourage groups to donate any surplus funds to a UK registered charity that aligns with their project theme.

**Lifestyle Choices (Theme 3)**

Theme 3 is Lifestyle Choices and tackles the issue of gang culture. Tower Hamlets is currently ranked 13th out of 326 areas nationally in terms of the average crime deprivation score which is why we want to engage with the young people who are both directly and indirectly at risk of gang-related behaviour.
**Vision**
To plan and deliver sustainable projects that use sport and physical activity as a vehicle to raise awareness of key social issues within the local community of Tower Hamlets.

**Project Themes**

<table>
<thead>
<tr>
<th>Theme 1 – Healthy Eating</th>
<th>Theme 1 Target Groups</th>
</tr>
</thead>
<tbody>
<tr>
<td>Focus on healthy eating</td>
<td>Local Primary Schools: Ages 8-11 (Years 4-6)</td>
</tr>
<tr>
<td>• The benefits of healthy/balanced eating.</td>
<td>• Breakfast/Lunchtime/Afterschool Clubs.</td>
</tr>
<tr>
<td>• The Eatwell Guide.</td>
<td>• Parents/Guardians of the young people.</td>
</tr>
<tr>
<td>• Everything in moderation.</td>
<td></td>
</tr>
<tr>
<td>• Long &amp; short-term impact of your dietary choices.</td>
<td></td>
</tr>
</tbody>
</table>

</tr>
<tr>
<td>• Raising awareness of the barriers to participation.</td>
<td>• Community groups and outreach programmes</td>
</tr>
<tr>
<td>• Promoting the importance of inclusive sport provision.</td>
<td>• Housing estates</td>
</tr>
</tbody>
</table>
Overview
In order to help students to deliver sustainable projects, we encourage them to contribute to their project costs and each year, the contribution from Community Foundation will reduce. By year 3, student group projects should largely be self-sustainable. Community Foundation will continue to fund training and qualifications, but any additional project funding will be discussed with groups on a case-by-case basis. Based on previous years, projects should cost no more than £500 and the more sustainable the project is, the less it will cost annually.

Project Timeline & Finance

Year 1
- Student groups express interest to be involved with the programme.
- Project ideas discussed with the Community Foundation team.
- Sessions arranged with the local schools/community groups.

Financial Contribution from Community Foundation
- 50% of project costs. Up to £250.
- 100% of CPD & qualification costs.

Financial Contribution from Student Group
- 50% of project costs. Up to £250.

Year 2
- Student groups do not need to reapply in order to continue with the same project idea.
- Projects developed from evaluation of the previous year.

Financial Contribution from Community Foundation
- 25% of project costs. Up to £125.
- 100% of CPD & qualification costs.

Financial Contribution from Student Group
- 75% of project costs. Up to £375.

Year 3
- Student groups enter their final year on the programme.
- Discussions with Community Foundation team about whether or not the project will continue to receive support.

Financial Contribution from Community Foundation
- 0% of project costs unless agreed.
- 100% of CPD & qualification costs.

Financial Contribution from Student Group
- 100% of project costs. Up to £500.
RAG (Raise and Give)
Queen Mary Students’ Union’s charity fundraising activity where you can raise money for good causes whilst having fun. We encourage student groups to engage with RAG Adopt a Charity. The idea is to identify a UK registered charity that is aligned with the group’s project theme. Once the financial contribution has been reached by the groups, any surplus funds raised will then be donated to their chosen charity. We strongly advise student groups to remain in contact with the charities to seek approval and support with their projects.

External Funding
An option would be to seek and apply for pots of funding to support projects. Some student groups have already secured sources of funding for community outreach projects and these could be used to cover project contributions. Other student groups are welcome to apply for small grants that they are eligible to apply for. The Community Foundation team can provide further guidance on this but please note that this is a less sustainable option as small grants are only likely to be awarded for a duration of one calendar/academic year.

Average Project Costs (based on previous years)

<table>
<thead>
<tr>
<th>Details of cost</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Venue Hire (Tournaments/Festivals)</td>
<td>£100</td>
</tr>
<tr>
<td>Equipment</td>
<td>£200</td>
</tr>
<tr>
<td>Marketing (Posters, wristbands etc.)</td>
<td>£30</td>
</tr>
<tr>
<td>Medals &amp; Trophies</td>
<td>£75</td>
</tr>
<tr>
<td>Refreshments/Water</td>
<td>£20</td>
</tr>
<tr>
<td>Other Resources (Project specific)</td>
<td>£75</td>
</tr>

</table>
| Total                              | £500  

RAG - Adopt a Charity

1. Choose a UK registered charity and let us know.
3. Promote your events! Email su-rag@qmul.ac.uk & communityfoundation@qmul.ac.uk so that we can help.
4. Cash in the money that you raise at the SU Hub or BLSA reception. Email communityfoundation@qmul.ac.uk with the exact amount raised.
5. Complete the donation request form when cashing in the money.
6. Share photographs to be included in the RAG monthly round-up.
Social Message
The importance of providing opportunities for young adults to engage in activities that raise awareness of gang culture and knife crime within the borough.

Aim
To raise the awareness of issues surrounding gang culture and knife crime in the borough and to provide a platform for young adults to engage with mentoring topics led by university students.

Theme 3 – Lifestyle Choices
Focus on lifestyle choices
- Effects of smoking, alcohol and substance abuse.
- Cost of choices – financial vs health.
- Gang culture and knife crime in the borough.

Delivery Method
Session Activities
- Engaging and inclusive rather the competitive nature.
- Structured sessions in addition to pop-up sessions.

Mentoring
- Short periods of discussion with breakout groups to cover topics relating to anti-social behaviour.

Further Participation
- Signpost participants to local organisations/clubs for opportunities to continue participation in the sport.

Project Partners and Resource Contributors
Lifestyle Choices – Example Project

1. Accepted onto the Social Cohesion Sport Programme
2. Recruit members/leaders to deliver the project
3. Complete DBS Checks, Safeguarding Agreements and Code of Conducts
4. Work with Community Foundation to arrange the sessions with local housing associations & community groups

5. Brief the participant group on the format of the sport and mentoring sessions
6. Deliver 1st sport session without any mentoring but introduce an incentive scheme for those who will engage
7. Deliver a series of inclusive sessions with a general focus on participation rather than competition
8. Start to deliver short mentoring sessions with different participants each session

9. Conduct participant surveys to receive feedback and observe their satisfaction levels
10. Signpost participants to opportunities with local sport clubs to encourage continued engagement
11. Liaise with Community Foundation about attending community consultation meetings to report on the project
12. Review, evaluate and develop project

Queen Mary University of London
Students’ Union
Aim

The mentoring topics in this booklet are to be used as a guide and prompt discussion within small breakout groups of participants. We are not lecturing the participants but encouraging them to think about and discuss their own ideas in relation to prevalence of gang culture in the borough and the associated wider implications.

Exposure to Gang Culture

- How do you define a gang?
- What is considered gang culture/involvement?
- Who are those at risk of involvement?
- Does music and film have an impact?
- What is the perception of Tower Hamlets?

Wider Implications

- Who is directly/indirectly affected by gang culture?
- What are the associated risks of gang culture/involvement?
- What impact can this have later in life?

Lifestyle Choices

- Do we have the power to make our own decisions?
- What services are available for people involved?
- How can we support those in need?

Other

- What are your personal goals?
- What are your career ambitions?
- How will you achieve these?
Lifestyle Choices – Data Collection and Reporting

Data Collection and Reporting

Session data
- Submitted online via the Community Foundation website.
- Number of participants, age group, location & duration.

Participant surveys
- Feedback on their experience of the project.

Community consultation meetings
- Measuring the impact of the project against expectations.

Leader feedback surveys
- Feedback on their experience of the project.

Dissemination
- Findings to be shared with the local community, Queen Mary University of London and other institutions.

Participant Surveys

Why are they important?
- Feedback surveys to observe the satisfaction of the participants.

Process
- Feedback surveys to be completed at the end of the project.

Community Consultation Meetings

Why are they important?
- To measure the success of the project by comparing outcomes against the expectations of relevant parties in the local community. This will allow us to identify any changes to be made in order to develop the project.

Process
- Expectations from the community (housing associations, council, rapid response & others) will be collecting during specific working group meetings.
- A consultation meeting with the group will be arranged following the project in order to evaluate and identify any areas for development.
- Project leads will have the opportunity to attend with the Community Foundation team.
The Group Offending Continuum – The Home Office

Key Findings

- Approximately 70% of gang members in London are aged 17-23.
- We will target young people aged 13-17 with the aim to prevent them transitioning to a “delinquent peer group” by raising awareness.
- 77.6% of these London-based gang members were identified as BAME.
- In the year ending March 2017, Tower Hamlets was the London borough with the 3rd highest number of both gang related offences and knife offences.
- In terms of serious youth crime, it is suggested that after-school violence is one of the key contributors.
- The sessions within this theme will take place in an after-school setting.
- Research shows that best practice in ending gangs and serious youth crime includes the promotion of engagement in positive activities.

The Group Offending Continuum used by the Home Office has been adopted in the Tower Hamlets - Ending Groups, Gangs and Serious Youth Violence Strategy (April 2015-2018)
