Student Council Reward Scheme 2018-19

We thank our Student Council members for their work through a reward scheme.

Eligibility and Options

To be eligible for the reward options you need to have been elected to a role that sits on Student Council for this academic year. At the start of Semester A, each Student Council member will be able to choose which two rewards they wish to receive for the year. Student Council members can lose their reward if they do not meet certain criteria.

You can pick two incentives out of three options, the three options for 2018-19 are:

1) Free Entry to regular events held at the Griff Inn and Drapers

There will be a set number of guest list places available for each chargeable event outside of Freshers, dependent on the event and venue. These are allocated on a first come first serve basis, upon arrival at the venue on the night and once the set number of student staff guests have entered anybody in addition to this will have to buy a ticket. They cannot be reserved in advance, there is no re-entry and there is no queue jump option. Free entry is for regular events and not for special events like Balls.

2) 20% Off products in these venues:

- Infusion
- Ground Café
- Drapers Bar & Kitchen (excluding alcoholic drinks)
- Griff Bar & Kitchen (excluding alcoholic drinks)
- Shield Café (excluding alcoholic drinks)

3) Free Gym Membership that can be used at Qmotion and Fitness to Practice

Student Council Rewards Review

The Executive Committee, with staff support, are responsible for reviewing each student councillor against the criteria set at the end of each semester. Student Council members will be notified by the first week of the next semester if they have maintained or lost their rewards.

Extenuating Circumstances

Student Council members are expected to meet all of the criteria to maintain or regain their rewards. However, the Executive Committee recognise that it is not always possible to make every meeting so will accept extenuating circumstances in certain cases. Examples of this could include being ill or having an academic related engagement which clashes with a meeting that could not be rearranged. Anyone wanting to submit extenuating circumstances must do this prior to the meeting taking place to b.coales@qmul.ac.uk and provide relevant evidence.

Extenuating circumstances will not be accepted for not submitting the report, not completing or updating the action plan and not submitting the end of year report and handover
