## Notes of the meeting

	Notes	Actions
1	<b>George Floyd Anniversary Statement</b> SA suggested that the Executive Team should produce a reflective statement to mark the anniversary of the murder of George Floyd. The statement would also be an opportunity to review the progress that has been made in the past year and highlight the issues that still haven't been resolved.	SA to bring this up again in the CEO/Exec Meeting next week.
2	<b>Open Letter Response</b> The Open Letter from Friends of Palestine has been received by the Executive Officers, and they are working on a response to the letter.	
3	<b>Fees</b> The Executive Officers agreed to write a letter to the university about fees for 2022/23. The Exec continue to oppose fee increases.	
6	<b>Highlights of the Week</b> CS and TDS are working on finalising details for Postgraduate Fortnight, starting next week. Details about events and workshops can be found here: <a href="https://www.qmsu.org/pgfortnight/">https://www.qmsu.org/pgfortnight/</a> MR has been working to finalise plans for Rites of Passage as well as attending regular university meetings and working on the BLSA Terms of Reference review to better improve representative structures for all students. SA attended a tree planting of the black poplar trees on our Charterhouse square campus, for world environment day.
