Notes of the meeting

	Notes	Actions
1	BLSA Library MR will raise ventilation issues with the relevant senior University staff, in order to resolve so that the capacity can be increased.	
2	Virtual Celebrations Students have been told the celebrations will be online, however some students have taken this to mean their Graduation has been cancelled and this will be the equivalent, University will need to clarify their comms. Unfortunately, the dates are when medics would have already started their jobs. Executive Officers will record speeches for the online celebration.	
3	E-Book Campaign A template letter has been drafted by the library to be sent to MPs about this campaign. AL has sent this round to course reps and schools reps to sign. Executive Officers will share the template letter to share and encourage students to adapt it slightly so they aren't all the same and doesn't get marked as spam.	
4	Officer Perks Discussed a provision for officers that were engaged, who will still be students next year, as they haven't been able to access many of the perks. MW will look into.	
5	PG and Decolonize Following the previous update, the draft letter of support and information has been shared. Executive Officers are happy to co-sign and support this. TDS will add additional text from the Students' Union.
